CITY OF DREAMS

Los Angeles is a city of opportunity, but also a sanctuary for diversity. The city's unparalleled food scene has left an indelible mark on our approach to food, from using the freshest ingredients in hearty health-conscious dishes to melding vibrant ethnic flavors together to create trends that are distinctly L.A. Our creativity runs wild and our potential to build awe-inspiring, soul-satisfying dishes is limitless.

What makes Los Angeles so special is the melting pot of people that have made the city their home.

At TASTE Los Angeles, Powered By Levy, we celebrate the people of Los Angeles through our beautifully curated Chefs Table Menus - to truly give you and your guests, a **TASTE OF LOS ANGELES**.

LACC TONE:
ELEVATED | VIBRANT | AMBITIOUS

THE SCOOP

WE BELIEVE THAT EVERY OCCASION SHOULD BE.

extraordinary

IT'S ALL ABOUT THE FOOD AND THE THOUSANDS OF DETAILS THAT SURROUND IT. YOUR DEDICATED CATERING SALES MANAGER WILL PARTNER WITH YOU TO SHAPE AN EXPERIENCE THAT STANDS OUT.

OUR FOOD MATTERS

In 2020, we started on the Our Food Matters journey with a newfound appreciation of just how precious food is to our communities and climate. Food can be regenerative to our world by restoring & drawing down the carbon from greenhouse gasses into the soil. This practice creates a more prosperous, biodiverse, living soil that will deliver better flavored and nutrient-dense foods for our customers to enjoy.

As a company of Chefs, Levy and Compass Group USA is on the frontline of change in the food system. We have built relationships and continue to partner with organizations that provide us with the knowledge and tools that we need to make a difference for our clients, our people, and our planet.

For us, fighting climate change is as easy as making delicious food for our clients and guests. We are rebuilding recipes, literally from the ground up, with the most regenerative ingredients that are also readily available to our Chefs. With these reengineered recipes, we are able to utilize our scale to both expand our biodiversity and drive restorative change within the system.

THE FUTURE IS IN OUR HANDS

...be brave enough to start a conversation that matters.

We strive to create a circular economy with better bottled water

The LA Convention Center has committed to discontinuing the use of single use plastic bottles.

In it's place - we have added more water filling stations and we now offer a refillable aluminum water solution that is not only better for the environment, but tastes better too!
